Application Form for the Appointment of Teaching Staff

Applications for teaching posts at St Margaret's CE High must be made on the National Society Application Form that is appended to this letter. Alternatively you can download your own copy to complete on a computer. Please be aware that the format of the template is such that it is not possible to save a completed copy and it is advisable to print a spare copy for your records. The Governors can only accept applications in hard-copy format. The form in PDF format may be obtained from our website or:

http://www.natsoc.org.uk/downloads/contracts_apps/appteacher06.pdf

Please complete all nine pages and sign the form on page seven.

In addition to the form we would ask that you provide us with a letter of application and a copy of your curriculum vitae. If these documents are supplied, and if they fulfill the request for information on pages four and five, it will be appropriate to write “see attached letter/CV” in the spaces provided.
